

**Important information about this form:**

- Use this form to make a direct or indirect rollover from an old ABLE account into a new Washington State ABLE account. The assets will be allocated based on your investment selection for the Washington State ABLE account.
- For direct rollovers, you must have the old ABLE account information available. The funds must be sent directly by the old ABLE Plan Manager within 60 days of opening your new Washington State ABLE account. The old ABLE Plan Manager might also require a Medallion Signature Guarantee in **Step 6**.
- For indirect rollovers, you must close the old ABLE account and deposit the full amount you want to rollover into a new Washington State ABLE account within 60 days of the withdrawal from the old account.
- For all rollovers, unless the old ABLE account is closed within 60 days of the rollover withdrawal from such account, the new ABLE account will not be considered a qualified ABLE account for tax purposes and the assets in such account will not be disregarded for purposes of eligibility for federal and/or state means-tested benefits programs.
- If you need to open an account, sign up online at [www.WashingtonStateABLE.com](http://www.WashingtonStateABLE.com) or use an **Enrollment Form** before completing this form.
- An eligible Beneficiary can only have one ABLE account open at any time, except for the 60-day grace period for closing an ABLE account following a rollover to a new ABLE account.
- If there is an Authorized Legal Representative (ALR) on the old ABLE account, they must be the same on the new account. If you would like to change the ALR, please do so on the old ABLE account before completing this form.
- The Beneficiary of the new Washington State ABLE account must remain the same as the beneficiary of the old ABLE account or be an eligible "Member of the Family" (brother, sister, stepbrother, stepsister) of the beneficiary of the old ABLE account.
- A rollover from one ABLE account to another qualified ABLE account for the same beneficiary can only occur once every 12 months.
- Make sure you use black ink to type or print clearly in capital letters and do not staple the pages together.
