5 Diagnosis Information

This information is needed to confirm the Beneficiary’s eligibility for the ABLE program.

Which option applies to the Beneficiary? (Please select one)

I certify under the penalties of perjury that:

- The Beneficiary is entitled during the current year to Social Security Disability (SSDI) benefits based on blindness or disability under title II of the Social Security Act
- The Beneficiary is entitled during the current year to Supplemental Security Income (SSI) benefits based on blindness or disability under title XVI of the Social Security Act
- The Beneficiary
 - a. has a medically determinable physical or mental impairment that results in marked and severe functional limitations* and can be expected to result in death or has lasted or can be expected to last for a continuous period of at least 12 months; OR is blind†

AND

- b. has a signed diagnosis (see our **Physician’s Form**) from a licensed physician† as to the condition described in (a)

I understand that I am required to retain such signed diagnosis and to provide it to the Plan or the IRS upon request, and I agree to do so.

* I understand that “marked and severe functional limitation” means a functional limitation that meets, medically equals, or functionally equals the severity of any listing in appendix 1 of subpart P of 20 CFR part 404 (the “Listing”), but without regard to age. The Listing can be found at <https://www.ecfr.gov/current/title-20/chapter-III/part-404/subpart-P?toc=1>. I further understand that the level of severity is determined by taking into account the effect of the Beneficiary’s prescribed treatment.

† I understand that, for purposes of eligibility for an ABLE account, “blind” means that the Beneficiary has central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees is considered to have a central visual acuity of 20/200 or less.

‡ Must be a doctor of medicine (MD) or a doctor of osteopathy (DO) who is legally authorized to practice medicine and surgery by the state in which s/he performs the diagnosis. The full IRS listing of acceptable medical sources can be found at [https://www.ecfr.gov/current/title-20/chapter-III/part-404/subpart-P#p-404.1502\(a\)](https://www.ecfr.gov/current/title-20/chapter-III/part-404/subpart-P#p-404.1502(a)).
